29 Jul 09

Asst. Head, Logistics Operations Programs and Policy Branch
OPNAV N413
29 Jul 09

Agenda

➢ **OPNAV Position**

➢ **Questions? to Ask Before Spending Funds**

➢ **Funding Challenges**

➢ **Issues and Challenges**

OPNAV Position

➢ **Supporting DOD IUID Task Force**

➢ **Implement Smartly**

➢ **Standard Processes, Procedures, Tools**

➢ **Funding Challenges**

➢ **Questions? to Ask Before Spending Funds**

Questions to Ask

➢ **Where Does IUID Have the Most Impact for Navy?**

➢ **What Information (Data) Do We Want to Analyze?**
  ➢ *What areas are costing us the most that need analysis?*
  ➢ *Where are trends or patterns created?*
  ➢ *Where has private industry used IUID and where has it been most profitable for them? Where/How has private sector made mistakes?*

➢ **How are We Going to Implement Beyond Marking?**

➢ **How are We Going to Connect the Data?**

➢ **What System Interfaces Should We Create?**

➢ **What are the Most Cost Effective Interfaces?**

Funding Challenges

➢ **Unfunded**

➢ **Where Do Funds Come From?**

➢ **Need to Show Savings**

➢ **Where will the Savings Accrue?**

➢ **What Budget Lines?**

➢ **Take Offsets Based on Savings**

Challenges and Opportunities

➢ **Challenges**

  ✓ *Standardization for all communities/disciplines*

  ✓ *Linking to AIS's*

  ✓ *Data Interfaces and Integration*

  ✓ *Interoperability*

➢ **Opportunities**

  ✓ *Maintenance – history, trends, analysis*

  ✓ *Financial – control, value*

  ✓ *Inventory – control, usage data*

  ✓ *Security – control*

  ✓ *?*
